

The United States and Canada continued

The United States and Canada

A. Use the maps on pages 54 and 77 of your textbook to locate the bodies of water, mountains, and rivers listed here. Then label them on the outline map provided.

Bodies of Water	Mountains	Rivers
Atlantic Ocean	Rocky Mountains	St. Lawrence
Pacific Ocean	Appalachian Mountains	Mississippi
Arctic Ocean	Sierra Nevada Range	Rio Grande
Hudson Bay	Coast Mountains	Colorado
Great Lakes	Alaska Range	
Gulf of Mexico		

B. After labeling the map, use it to answer the following questions.

1. What four bodies of water border the United States and Canada on the north, south, west, and east?

2. Which waterways make up almost half the boundary between the United States and Canada?

3. Which river forms part of the border between the United States and Mexico?

4. The Mississippi River empties into what body of water?

5. Which mountain range listed is shared by both countries?
